

FAQ

How do I get a custom cake quote?

Simply email us a picture or pictures of what you'd like us to do and the size cake you need and we will send you a quote.

How far in advance do I need to order a custom cake?

The earlier the better! We try to accommodate all custom requests, but because of labor time and volume, we sometimes have to stop taking custom orders.

Do you do custom cupcake designs?

Yes we do! Just send us a picture of what you would like to do and we can send you a quote.

Do you have any gluten free products?

Unfortunately we do not. We have a flourless chocolate cupcake and cake that has no gluten; however, it is cooked in the same kitchen as all of our other products, so it is not gluten free due to cross-contamination possibilities.

Do you do weddings?

We do over a 100 weddings a year! Go online or call us to book your free consultation and tasting today.

Can you put a photo on a cake?

Yes we can! Just send us a good digital image of what you'd like on your cake. Edible Images are \$25 for an 8 1/2 X 11 sheet. You can put several smaller images on one sheet at no additional cost.

Do you do tiered cakes?
